SEYBERT, District Judge:

Presently before the Court are: (1) the Court-appointed Receiver Dennis J. Sherry's (the "Receiver") motion for approval of accounting and payment of fees (Docket Entry 124); and (2) the Receiver's motion for approval and payment of attorneys' fees (Docket Entry 135).¹ In support of his application for a commission (Docket Entry 124), the Receiver has provided the Court with ten narrative summaries, each covering three to four months, describing his work during period of the Receivership. (See Docket Entries 124-5 to 124-15.) While the Court appreciates the Receiver's attempt to present his activities in an easily reviewed format, the Court cannot evaluate the Receiver's request for a commission until he provides the "detailed monthly reports of monies received, expenditures paid and related correspondence and

documentation" that he provided to CW Capital Asset Management and Ellis Equities, LLC. (See Receiver's Reply Br., Docket Entry 133, at 1.) Accordingly, the Receiver's motion for approval and payment of fees is DENIED WITHOUT PREJUDICE and may be refiled upon filing of the monthly reports. Although the Receiver's motion for attorneys' fees does not appear to suffer from the same lack of documentation, the Court RESERVES JUDGMENT with respect to such motion because it will be more efficient to resolve both motions at the same time.

CONCLUSION

For the foregoing reasons, the Receiver's motion for approval of accounting and payment of fees (Docket Entry 124) is DENIED WITHOUT PREJUDICE and the Court RESERVES JUDGMENT with respect to the Receiver's motion for approval and payment of attorneys' fees (Docket Entry 135).

SO ORDERED.
